

# Still In Love With You

Chris Norman

I get the same old feeling  
Whenever I'm with you  
What else can I do  
I can't help it  
I can't help it  
I'm still in love with you

I get the same old yearning  
When you are by my side  
Oh it's a feeling I can't hide  
I can't help it  
No I can't help it  
I can't help it  
Oh baby I can't help it  
I'm still in love with you

No one thrills me like you do  
No one hurts as much as you  
(In a long and lonely night)  
Oh I wake up calling out your name  
'Cos since you've gone  
Nothing seems the same  
Believe me darlin'  
Ooh, ooh

Nothing seems the same, baby  
I can't help it  
Oh I can't help it  
I'm still in love with you  
Oh listen to what I say, baby

No one thrills me like you do  
No one hurts as much as you  
(In a long and lonely night)  
I wake up calling out your name  
You know since you've gone  
Nothing seems the same  
No, no, ooh

I get the same old feeling  
Whenever I'm with you  
But what am I gonna do  
I can't help it  
I can't help it  
I can't help it  
Oh baby, I can't help it  
I'm still in love with you

(Same old feeling)  
Oh, I'm still in love with you  
(Same old feeling)  
Believe me baby  
I'm still in love, still in love with you  
(Same old feeling)  
I'm still in love with you
