

Sweet Surrender

Chris Norman

Oh sweet surrender what ya' doing to me
Can't you see girl you got me on my knees
Kisses sweet as honey, oh sweet surrender

Oh sweetest lover, you're on my mind
Sweetest lover you better run and hide
Wanna taste your honey, oh sweet surrender

I got lovin' on my mind an ache in my heart for you
So baby if you please
Tell me when will you come through

Oh sweet surrender won't you comfort me
I'm on my knees now, I'm in misery
Taste as sweet as honey, oh sweet surrender

I got lovin' on my mind an ache in my heart for you
So baby if you please
Tell me what we 're gonna do

Oh sweet surrender what ya' doing to me
Can't you see girl you got me on my knees
Kisses sweet as honey, oh sweet surrender
Taste as sweet as honey, oh sweet surrender
