

# When The River Runs Dry

Chris Norman

And so my love we've reached the end  
We'll go our separate ways  
And I'll always be your friend  
Baby it's time to say goodbye

Who can say just what went wrong  
It couldn't last  
I guess we knew it all along  
And now I can't stand to see you cry

Oh it's hard to say you're sorry  
When you love someone completely  
And I know there's no more  
tears that I can cry  
Yes it's hard to say goodbye  
When the river runs dry

You take the best of me with you  
I wish you happiness  
In everything you do  
Baby it's time to walk away

Now I must be the lonely one  
My hands are tied  
And they can never be undone  
And there's nothing left that I can say

Oh it's hard to say you're sorry  
When you love someone completely  
And I know there's no more  
tears that I can cry  
Yes it's hard to say goodbye  
When the river runs dry

There's one more sacrifice to make  
'Cos I must leave you now  
Before my heart will break  
So baby it's time to say goodbye

Oh it's hard to say you're sorry  
When you love someone completely  
And I know there's no more  
tears that I can cry  
Yes it's hard to say goodbye  
When the river runs dry

Oh...., oh...., oh...
