

Who Can Make Me Laugh

Chris Norman

Who can make me laugh
who can me sing
who can make me crush
leave me wondering
who can do most anything
anything and everything
who - you?

You can make me laugh
you can make me sing
you can make my fly
you can give me ring
you do most anything
anything and everything
you, oh you

If you're really going downtown, babe
sinkin' bottle of wine
if you're feeling like a clown now, babe
won't you give me a sign
if you feel you don't belong, yeah
and you're waiting for a good year
will you run out of time
will you drop me a line?

An you can take a bath
ah you can take a swim
ah you can take a laugh
ah you can take a gym
(and darling...)
I can do most anything,
anything and everything
with you, you, you, you....

If you're really going downtown, babe
sinkin' bottle of wine
if you're feeling like a clown now, babe
won't you give me a sign
if you feel you don't belong, yeah
and you're waiting for a good year
will you run out of time
will you drop me a line?

If you're really going downtown, babe
sinkin' bottle of wine
if you're feeling like a clown now, babe
won't you give me a sign
