

All Night Long

Chris Rea

All night long
All night long
Oh Well

All night long
All night long
All night long
All night long
Dance with me baby
Oh, dance with me baby
Good time, good time, good time, good time, good time

All night long
Yeah, all night long
All night long
You know life is so hard so hard
so hard so hard too hard
Be good to me baby
And I'll be good to you
Yea I will
All night long
Come on, have some fun fn fun
You know life is so hard so hard
so hard so hard too hard
You got to have some fun
Good time, time time time time
Oh I'm gonna make you mine mine mine mine mine
All night long
All night long

Give me a good time
Give me a good time
I'm gonna make it shine shine shine
All night long

Give me a good time
Alright, alright, alright
All night long
Yeah, all night long
All night long
