

# Baby Don't Cry

Chris Rea

The cold axe of bad love  
Sure cut you down  
There's nothing to hold on to now  
In this part of town

Your heart has been broken  
But hear what I say  
Ain't nothing but a cold night  
Bringing home a new day  
I know what you're feeling  
What you're going through  
How much it must hurt you  
Like nothing else do

Don't cry, baby don't cry, the worst is over  
Don't cry, baby don't cry, the worst is gone

Hey little angel, oh hear what I say  
The pain that you're feeling  
I swear it won't stay  
'Cos I got the wisdom  
Of a thousand broken bones  
And I'll be here with you  
So you never be alone

Don't cry, baby don't cry, the worst is over  
Don't cry, baby don't cry, the worst is gone
