

# I'm in My Car

Chris Rea

I'm in my car  
I got my telephones and radio  
This is my home  
I have learnt to love and live  
The only way I know  
And I don't want to change a thing  
This is my world you are sitting in  
I got a fax so I press send  
Send a message to my DJ  
A message to my DJ  
'cause he's my best friend  
I'm in my car

And I am happy here  
Even though the fools will never know  
I got peace in here  
My private world and endless  
Stop and go

And I don't want to change a thing  
This is my world you are sitting in  
I got a fax so I press send  
Send a message to my DJ  
A message to my DJ  
'cause he's my best friend

I'm in my car

Safe from my boss  
Safe from all the gumbos  
That I hate so much  
Its not G.T.  
Its not all about you think  
That you may see  
Oh it's not about what you think  
You see  
I'm safe from my family. ..  
I'm safe  
I'm safe

I'm in my car

I'm happy here

I'm in my car
