

# I Will Be With You

Chris Rea

When the morning light comes shinning through-  
I will be with you.  
When the summer breeze blows gently in late afternoon-  
You'll know it's me.

And when the shadows fall in a deepest shades of blue-  
You'll know it's me, and I will be with you, I will be with you  
...

Sister and brother  
Best friends and lovers  
It's a real fine line...

Wrapped in each other  
This kind of love  
Is so hard to find.

So when the shadows fall in a deepest shades of blue-  
You'll know it's me, and I will be with you, I will be with you  
...

The young flame of desire  
Burned like a fire-  
We took it way past the line.

And when our youth was no more  
Love came gently through the door.  
Now it's been such a long, long time.

So when the shadows fall in a deepest shades of blue  
You'll know it's me- and I will be with you, I will be with you  
...
