

If You've Got A Friend in Jesus

Chris Rea

If you've got a friend in Jesus
Won't you tell him about me
If you've got a friend in Jesus
Won't you tell him about me
Tell him buy me off the boss man
And set me free

If you've got a friend in Jesus
Tell him help this broken man
If you've got a friend in Jesus
Help this broken man
I got too much twistin' pain
Drinkin' gasoline from an old steam can

If you've got a friend in Jesus
Tell him listen what I say
If you've got a friend in Jesus
Tell him listen what I say
You've got to save me from this Satan
And help me find a way

You've got a friend in Jesus
