If you were me
And I was you
If you had to play my part out
What would you do

Two crazy stories, Two different views If you were me And I was you

If you were me
And I was you
What kind of crazy things
Would I have to do

Who likes to party Who stays at home If you were me And I was you

Never like strangers Though never the same Two circus side-shows And laughter in the rain

You stay with the full moon You search for the stars Thank God it's heaven Here we both are

If you were me
And I was you
If you had to play my part out
What would you do

Two crazy stories,
Two different views
If you were me, if you were me
If you were me and I was you
