

Johnny Needs a Fast Car

Chris Rea

Johnny needs a fast car
Johnny needs it bad
Johnny always do the best
Whatever johnny has
Johnny needs a fast one
Johnny needs it now
You got to give him something to
Let him show you how
Johnny needs a fast car

Johnny needs a fast car
Johnny needs a break
Johnny don't need good luck
'cause johnny never fakes
He'll always make it look good
You'll always see him smile
Give johnny a few inches
And he'll give you back a mile

Johnny needs a fast car
Johnny needs a fast car

Tears upon the broken bones
Of luck that never went his way
Bless this one you'll know him by his smile
