

Let's Dance

Chris Rea

When you sing of the joy only love can bring
Heaven knows it's my heart and my soul
Caught in a world full of tears
So many sad times and fears
So while there's a chance and you're near
Let's dance, Let's dance

There's a world
Far away from the one we see
There's a dream
I will never let go
One thing is certainly true
This moment's for me and you
So while there's not a thing we can do
Let's dance, Let's dance
