

Sing Out The Devil

Chris Rea

Sing out the Devil, take him, shake him down
Sing out the Devil 'til he hits the ground
Sing out the Devil

Cut him out
Cut him clean
Cos there's only ever bad blood where he just been
Sing out the Devil, shake him down
Sing out the Devil 'til he hits the ground

Sing out the Devil

Oh I'm crying to the Lord above
Oh I'm crying Lord above
Don't you feel my fear?
You've got to help me
When Satan comes near

Sing out the Devil

Can you hear me, can you hear me
Oh I'm crying, yeah I'm crying
Sing out the Devil, yeah, sing out the Devil
Come on
Sing out the Devil
