

# Stainsby Girls

Chris Rea

1. Some girls used to kiss and run  
Never knew what they had done  
Some girls always wasted time  
Keep you hanging on the line  
Some love horses, and always stay at home  
But the Stainsby girls loved the Rolling Stones

2. Now, some had game that you just had to play  
Making rules along the way  
Strange attractions newly found  
Pride and passion kicked around  
Some girls stole your heart like most girls do  
But a Stainsby girl could break it in two

R: I fell in love  
I fell in love  
I fell in love, Ooh yeah  
I fell in love with a Stainsby girl

Instrumental

E A E A E A E (I'm not sure about this bit)

3. Deepest water, Staninby blue  
Running straight running true  
Names and faces fade away  
Memory is here to stay  
Some girls steal your heart like most girls do  
But a Stainsby girl could break it in two

R: I fell in love...
