

The Way You Look Tonight

Chris Rea

A sinner I may be
But I've just got to try
My luck with you
Secret smile upon your face
So don't look down
Don't hide your grace
Let me find you

Cause I can't get over the way
You look tonight
Blow me away
The way you look tonight
Tell me to go away
It's alright
I just wanted to say
The way you look tonight
The way you look tonight
