

# Ticket For Chicago

Chris Rea

Now there's a train coming  
You've got to get on board  
Now there's a train coming  
You've got to get on board  
Don't need no new religion  
It's not what this train is for

Now there's a train coming  
It come from New Orleans  
Now there's a train coming  
It come from New Orleans  
Well there's some real fine ladies there  
The best I ever seen

Now this train is travelling  
Up to a city that I know  
Now this train is travelling  
Up to a city that I know  
If you want a dream come true  
Get a ticket for Chicago
