

# Who Cares If I Do

Chris Rea

I'm on the train to nowhere  
See me coming through  
Got to find me something  
Something new  
I take all my chances  
And who cares if I do

Yeah I don't feel nothing  
Nothing no more  
Gonna buy me an old 44  
I got nothing to lose  
Who cares if I do  
Who cares if I do

Oh I ain't gonna take it  
I don't care who  
If I go down  
You'll go too  
Down with the Devil  
Who cares if I do
