

# Wild Pony

Chris Rea

Oh I got me a wild pony  
I sure can't stay on top  
Oh I got me a wild pony  
I sure can't stay on top  
Every time I try to pull her in  
She always throw me off

Oh I got me a wild pony  
She's the type so hard to find  
Oh I got me a wild pony  
She's the type so hard to find  
If she done a rodeo  
She kick you off every time

Oh wild pony  
Here she come now

Me and my wild pony  
Someday I'm gonna break her in  
Me and my wild pony  
Someday I'm gonna break her in  
Gonna take her to the race track  
For sure I know she'll win

Wild pony, come on wild pony
