

Smile

Chris Rice

How far are you, how close am I
I know your words are true and I don't feel them inside
Still I believe you'll never leave
So where are you now

You're all I have, You're all I know
Your breath is breathing in my soul
Still I am gasping, aching, asking
Where are you now

'Cause I just want to be with You
I just want this waiting to be over
I just want to be with You
And it helps to know the Day is getting closer

Every minute takes an hour
Every inch feels like a mile
Til I won't have to imagine
And I finally get to see You smile

My journey's here, but my heart is There
So I dream and wait, and keep the faith, while You prepare
Our destiny, til You come back for me
Oh, please make it soon!

'Cause I just want to be with You
I just want this waiting to be over
I just want to be with You
And it helps to know the Day is getting closer

Every minute takes an hour
Every inch feels like a mile
Til I won't have to imagine
And I finally get to see You smile

I just want to be with You
I just want this waiting to be over
I just want to be with You
And it helps to know the Day is getting closer

I just want to be with You
I just want this waiting to be over
I just want to be with You
And it helps to know the Day is getting closer

Every minute takes an hour
Every inch feel like a mile
Til I won't have to imagine
And I finally get to see You

Every minute takes an hour
Every inch feel like a mile
Til I won't have to imagine
And I finally get to see You smile
