

# Smile

Chris Rice

How far are you, how close am I  
I know your words are true and I don't feel them inside  
Still I believe you'll never leave  
So where are you now

You're all I have, You're all I know  
Your breath is breathing in my soul  
Still I am gasping, aching, asking  
Where are you now

'Cause I just want to be with You  
I just want this waiting to be over  
I just want to be with You  
And it helps to know the Day is getting closer

Every minute takes an hour  
Every inch feels like a mile  
Til I won't have to imagine  
And I finally get to see You smile

My journey's here, but my heart is There  
So I dream and wait, and keep the faith, while You prepare  
Our destiny, til You come back for me  
Oh, please make it soon!

'Cause I just want to be with You  
I just want this waiting to be over  
I just want to be with You  
And it helps to know the Day is getting closer

Every minute takes an hour  
Every inch feels like a mile  
Til I won't have to imagine  
And I finally get to see You smile

I just want to be with You  
I just want this waiting to be over  
I just want to be with You  
And it helps to know the Day is getting closer

I just want to be with You  
I just want this waiting to be over  
I just want to be with You  
And it helps to know the Day is getting closer

Every minute takes an hour  
Every inch feel like a mile  
Til I won't have to imagine  
And I finally get to see You

Every minute takes an hour  
Every inch feel like a mile  
Til I won't have to imagine  
And I finally get to see You smile
