

# God's Great Dance Floor

Chris Tomlin

I'm coming back to the start  
Where You found me  
I'm coming back to Your heart  
Now I surrender  
Take me  
This is all I can bring

I'm coming back to the start  
I got this freedom  
In here we feel Your heart  
Your heartbeat for us  
Take me  
This is all I can bring

You'll never stop loving us  
No matter how far we run  
You'll never give up on us  
All of heaven shouts: let the future begin  
Let the future begin

Take me  
This is all I can bring

You'll never stop loving us  
No matter how far we run  
You'll never give up on us  
All of heaven shouts: let the future begin

I feel alive, I come alive  
I am alive on God's great dance floor  
I feel alive, I come alive  
I am alive on God's great dance floor  
I feel alive, I come alive  
I am alive on God's great dance floor  
I feel alive, I come alive  
I am alive on God's great dance floor  
I feel alive, I come alive  
I am alive on God's great dance floor  
God's great dance floor!
