

## O Holy Night

Chris Tomlin

O holy night, the stars are brightly shining  
It is the night of the dear Savior's birth  
Long lay the world in sin and error pining  
Till He appeared and the soul felt its worth

A thrill of hope, the weary soul rejoices  
For yonder breaks a new and glorious morn  
Fall on your knees, o hear the angel voices  
O night divine, o night when Christ was born  
O night divine, o night, o night divine

Truly He taught us to love one another  
His law is love and His Gospel is peace  
Chains shall He break for the slave is our brother  
And in His name all oppression shall cease

Sweet hymns of joy in grateful chorus raise we  
Let all within us praise His holy name  
Christ is the Lord, o praise His name forever  
His power and glory yet the poor proclaim  
His power and glory yet the poor proclaim

Fall on your knees, o hear the angel voices  
O night divine, o night when Christ was born  
O night divine, o night, o night divine
