

# With Me

Chris Tomlin

I open my mouth  
And You speak for me  
You moved the mountain  
And rolled back the sea

And I will not be afraid  
I will never be ashamed  
For You are with me  
You are with me

And I've seen enough to know  
That You're my only hope  
I don't want to go  
If You're not with me  
If You're not with me

You open Your hand  
And You reach for us  
You are the motion  
Of the universe

And I will not be afraid  
I will never be ashamed  
For You are with me  
You are with me

And I've seen enough to know  
That You're my only hope  
I don't want to go  
If You're not with me

I've seen enough to know  
That You're my only hope  
I don't want to go  
If You're not with me  
If You're not with me

I open my mouth  
And You speak for me  
You moved the mountain  
And rolled back the sea

I've seen enough to know  
That You're my only hope  
I don't want to go

And I've seen enough to know  
That You're my only hope  
I don't want to go  
If You're not with me  
(I've seen enough to know)  
If You're not with me

And I will not be afraid  
I will not be afraid  
No, I will not be afraid  
I will not be afraid

(I will not be afraid, I will not)  
'Cause You are with me
