

# You Lifted Me Out

Chris Tomlin

You turned my way, You heard my cry  
You turned my mourning into shouting  
Sorrow may last for a night  
But with the light, I am seeing, I am singing

You lifted me out, You lifted me out  
And set me dancing, dancing  
Free, now I am free, Your love rescued me  
Now it's the anthem I'm singing

Many will see, many will hear  
And find You strong enough to say  
Many the wonders You have done  
Your light has come, and I am singing, I am singing

You lifted me out, You lifted me out  
And set me dancing, dancing  
Free, now I am free, Your love rescued me  
Now it's the anthem I'm singing

Lost is where You found me  
Shattered and frail but You love me still  
Trouble may surround me  
My heart may fail but You never will  
You never will

You lifted me out, You lifted me out  
And set me dancing, dancing  
Free, now I am free, Your love rescued me  
Now it's the anthem I'm singing
