Bounce

Chris Webby

All you motherfuckers Turn it up let it (bounce) In the trunk let it (bounce) Throw em up let it (bounce) Yeah bitch

This is what we do when We verbally turn em out With the speakers to the Maximum baby just let it Bounce now

In a crowd let it (bounce) Turn it loud let it (bounce) Blow em out let it (bounce) Yeah bitch

This is what we do when I Show em what I'm about With the speakers to the Maximum baby just let it Bounce

It's that evil rap nemesis Putting together sentences Faster than that hedgehog Running on Sega Genesis Higher than the hoops of Pegasus And let the pencil hit the paper Harder than a bus, Jerome Bettis it Let it be set it bit with the excellent rhetoric My vernaculars spectaculous, step to me and I'll settle it If mastery a language was the goal then I'm ahead of it You can't connect the checks that I'm cutting down in Connecticut My flow berserk rib cage gotta soulja's heart Verbally a double barrel, shotty leave you blown apart I'm such an animal they kick me off of Noah's Ark Cause they keep on coming up Shorter than Napoleon Bonaparte Me? I'm a tall dude never let you fall through Hard as granite dammit, these bitches softer than dog food Shoot em up R2 drop so many bars you, Haters quit your job cause there's nothing to argue; Now let it
