

# Is It Alright

Chris Webby

Listen babe is it alright if I spend my night beside you  
Cause this liquor got me feelin' like I maybe really like you  
But I'm not the Prince Charming you been waitin' for to find you  
I might seem like I'm the one but shit it's only for tonight, boo  
I do this on the regular baby it's not despite you  
That's just how I live my life and you know it as well as I do  
Come on, did you honestly think that Webby would wife you  
Shit I got my own personal problems I'm tryna fight through  
Kickin' drugs that's easier said than done  
And tryna keep my head straight when I be out on a run  
On the road doin' shows tryna stack my funds  
Got 99 problems and trust me you're not one  
So I'm sorry boo but you know I got a fuckin' job to do  
My heart is off limits so my dick is all I got for you  
Don't get it confused I love bangin' you out  
But that's the only time you'll hear love comin' out of my mouth, out

Is it alright if I kick it with you all night  
Is it alright  
Is it alright  
Is it alright if I have to leave at sunrise  
Is it alright  
Is it alright with you

Since we met I been the headlights and baby you were the deer  
So caught up in who I was you weren't seein' nothin' clear  
But I'm focused on myself and tryna make a career  
So just ignore those sweet nothings that I whispered in your ear  
Cause one second I'm in then the next I'm outta town  
You'd be foolish if you thought I'd think of settlin' down  
Doin's hows and pickin' the hottest girl from the crowd  
I'm young and famous yo, of course I get around  
At least I keeps it real with you, no need for tellin' lies  
So if I break your heart don't ask why  
And I know you're catchin' feelings for me I can see it in your eyes  
When I got your ankles over my shoulder smackin' your thighs  
I gave relationships a couple of tries  
And learned it wasn't for me so you just gotta realize  
That's why when you text me you never get a reply  
We can have fun tonight, but I'm out by sunrise (yeah)

Is it alright if I kick it with you all night  
Is it alright  
Is it alright  
Is it alright if I have to leave at sunrise  
Is it alright  
Is it alright with you
