

Let Me Win

Chrisette Michele

I think I need a lifeline
It's like I'm in a crazy game
And I don't have the words to say
To win this guy affection
I might need a lifetime
I'll never know the perfect play
Hitting this day by day
But I've got good intentions
Look me in the eye
Do you think I'm fly?
I can tell you're into me
So why you acting shy?
Lay down all your cards
I won't make it hard
Let me be the winner of your heart, whoa

This game is like a gamble
Here's my heart to handle
Need you to be gentle
You should let me win
I'm not sure how to play it
Don't know what to say
I'm tryna catch a break
You should let me win, oh, oh, oh
You should let me win, oh, oh, oh
Uh, whoa

I never been a loser, and I don't wanna be one now
I always give away somehow,
Why should this be different?
I felt it when I kissed you
Drove me just a little bit wild
I always knew I liked your style
I never thought I would be with ya
Look me in the eye,
Do you think I'm fly?
I can tell you're into me
So why you acting shy?
Lay down all your cards
I won't make it hard
Let me be the winner of your heart, whoa

This game is like a gamble
Here's my heart to handle
Need you to be gentle
You should let me win
Not sure how to play it
Don't know what to say
I'm tryna catch a break
You should let me win, oh, oh, oh
You should let me win, oh, oh, oh
Uh, whoa.
