

# Mr. Right

Chrisette Michele

Whoa Oh Oh Oh  
Whoa Oh Oh oh

No I've never been ashamed  
Or afraid to speak my mind  
I'm the type of girl  
That's gonna' say what I don't like  
I know I can be a handful  
Sometimes I run my mouth  
I'm used to being in control  
Decide on what goes down

Well I met my match  
Plus your more of a man  
Than I ever had (Ooh Ooh Ooh)  
This table's turned and  
I can't find the words  
To describe how good it hurts

You are  
(You are)  
My Mr. Right  
(You got me weak, you got me weak, you got me weak)  
I can't even fight  
(Oh Oh Oh)  
One touch and I'm paralyzed  
(I can't think, I can't move, I can't speak)  
And I'm convinced your love is mine  
Mr. Right (You got me weak, you got me weak)  
Mr. Right (Can't move, I can't think, I can't speak)  
Mr. Right (You got me weak, you got me weak)  
Mr. Right (Can't move, I can't think, I can't speak)

My defenses are so useless  
I don't even have the power  
I'm falling more for you with every minute, every hour  
My friends will find it funny  
If they could see me now  
Cause there'll so used to me running the show  
When I'm around

Yes I met my match (Oh)  
Plus your more of a man (Oh)  
Than I ever had (Ooh Ooh Ooh)  
This table's turned (Oh)  
And I can't find the words (Oh)  
To describe how good it hurts

You are  
(You are)  
My Mr. Right  
(You got me weak, you got me weak, you got me weak)  
I can't even fight  
(Oh Oh Oh)  
One touch and I'm paralyzed  
(I can't think, I can't move, I can't speak)  
And I'm convinced your love is mine

Mr. Right (You got me weak, you got me weak)  
Mr. Right (Can't move, I can't think, I can't speak)  
Mr. Right (You got me weak, you got me weak)  
Mr. Right (Can't move, I can't think, I can't speak)

I'm changing my ways  
Maybe I'll get in  
You might be the man  
Mr. Right, Mr. Right

You are  
(You are)  
My Mr. Right  
You got me weak, you got me weak, you got me weak)  
And I can't even fight  
(Oh Oh Oh)  
One touch and I'm mesmerized  
(I can't think, I can't move, I can't speak)  
I'm convinced your love is mine  
Mr. Right (You got me weak, you got me weak)  
Mr. Right (I can't move, I can't eat, I can't sleep)  
Mr. Right (You got me weak, you got me weak)  
Mr. Right (I can't eat, I can't sleep)
