

# Never Let Me Down

Chrishan

Oh, yeah, oh yeah!  
How would you feel if everything you did seem to go unnoticed?  
All the fears on the inside let the other side out of focus,  
Gotta feel what you want,  
But you fear you are going through the motions  
Even though I could run through it,  
It I don't wanna be left opened.

I'm so unsure; you're so left out,  
I'm so unsure; you're so left out,  
You never know (you never know)!  
But you never know (you never know)  
I'm so unsure; you're so left out,  
I'm so unsure; you're so left out,  
You never know (you never know)!  
I never let it show!  
I don't know which road I'm going,  
I know, I know,  
You'll show me, you'll show me!  
Just my heart,  
You will never let me down!  
Just my heart,  
You will never let me down!  
I don't know which road I'm going,  
I know, I know,  
You'll show me, you'll show me!

Time running by sitting here,  
Dreaming off in a distance,  
Seen my name...  
Put this only if somebody will listen!  
... and what you're giving!  
Telling you what they want,  
Coming back like something is missing!

I'm so unsure; you're so left out,  
I'm so unsure; you're so left out,  
You never know (you never know)!  
But you never know (you never know)  
I'm so unsure; you're so left out,  
I'm so unsure; you're so left out,  
You never know (you never know)!  
I never let it show!  
I don't know which road I'm going,  
I know, I know,  
You'll show me, you'll show me!  
Just my heart,  
You will never let me down!  
Just my heart,  
You will never let me down!

I don't know which road I'm going, I'm going  
I know, I know,  
You'll show me, you'll show me!  
Just my heart, just my heart!  
Just my heart, just my heart!  
You will never let me down! (2x)
