

# Love Of My Life

Christafari

Aaaah, Aaaah (4x)  
I will wait for you, (ooh)  
Case that's what my Lord would have me to do.  
Don't awaken love before it's time  
(Ooh) A love like your is sweeter than wine.  
Even though I am asleep my heart is awake.  
(Aah) And I will remain faithful for my Father's sake.  
No one likes the taste of tainted wine.  
(Aah) A love like yours is so very, very hard to find. (Aaaah)

Oh my Lord I've been searching for the love of my life,  
Oh my Lord I've been searching for the love of my life,  
Oh my Lord I've been searching for the love of my life,  
I've been searching.

The very first time I meet my love (Ooh)  
Well it was just as if descended a dove.  
Well I've been wait my whole life for you to come along. (Ooh)  
And you put in my heart the melody for the song.  
(the melody for the song)  
And so I sing this song to you as I fall on my knees (Aaah)  
I'm begging you to spend forever with me  
And now we take our vows before God and man, united forever that's my  
Father's plan. (Aah)

Oh my Lord I was searching for the love of my life,  
Oh my Lord I was searching for the love of my life,  
Oh my Lord I was searching for the love of my life,  
I was searching.

Everyday I fall more in love with you. Ooh.  
I hope that when you look at me you still feel that way to. (Aahh)  
And as the years go by (Aahh)  
I hope that when I sing this song tears still fall from your eyes.

Oh my Lord, You've given me the love of my life,  
Oh my Lord, You've given me the love of my life,  
You've given me the love, Yeah!  
You've given me the love of my life.  
Thank You Lord. You've given me the love.  
AAAH, AAAH (repeat)  
Said I don't need, oh, not a thing more, my Lord.  
Oh, not a thing more (repeat)  
(I) say thank you. My Lord. Thank you.  
All, all my, all my life, You are.  
All, all my, all my life. You've given me.  
You've given me the love.  
You've given me the love. Yeah.
