

# Cry For Help

Christian Bautista

Shes taken my time  
Convince me shes fine  
But when she leaves I'm not so sure  
It's always the same  
She's playing her game  
And when she goes I feel to blame  
Why wont she say she needs me?  
I know she's not as strong as she seems

Why don't I see her cry for help?  
Why don't I feel her cry for help?  
Why don't I hear her cry for help?

I wandered around  
The streets of this town  
Trying to find sense of it all  
The rain on my face  
It covers the trace  
Of all the tears I'd had to waste  
Why must we hide emotions?  
Why must we never break down and cry?

All that I need is to cry for help  
Somebody please hear me cry for help  
All I can do is cry for help

No need to feel ashamed  
Release the pain cry for help  
Cry for help is all I need  
All I need is a cry for help  
Cry for help is all I need  
All I need is a cry for help

Why must we hide emotions?  
Why can't we ever break down and cry?

All that I need is to cry for help  
I will be there when you cry for help  
Why don't I hear her cry for help?

All that I need is to cry for help  
Somebody please hear me cry for help  
All I can do is cry for help

All that I need is to cry for help  
I will be there when you cry for help  
Is it so hard to cry for help?

Cry for help is all I need  
All I need is a cry for help  
Cry for help is all I need  
All I need is a cry for help

Cry for help is all I need  
All I need is a cry for help  
Cry for help is all I need  
All I need is a cry for help

Cry for help is all I need  
All I need is a cry for help  
Cry for help
