

# Fixing A Broken Heart

Christian Bautista

There was nothing to say  
The day she left  
Just filled a suitcase  
Full of regrets  
I hailed a taxi in the rain  
Looking for some place  
To ease the pain, ooh  
Then like an answered prayer  
I turned around  
And found you there

You really know where to start  
Fixing a broken heart  
You really know what to do  
Your emotional tools  
Can cure any fool  
Whose dreams have fallen apart  
Fixing a broken heart, oooh...

Never could understand  
What I'm going through  
There must be a plan  
That led me to you  
Because the hurt just disappears  
In every moment  
That you are near, yeah  
Just like an answered prayer  
You make the loneliness  
Easy to bear

You really know where to start  
Fixing a broken heart  
You really know what to do  
Your emotional tools  
Can cure any fool  
Whose dreams have fallen apart  
Fixing a broken heart

Soon the rain will stop falling baby  
Let's forget the past  
'Cause here we are at last

You really know where to start  
Fixing a broken heart  
You really know what to do  
Your emotional tools  
Can cure any fool  
Whose dreams have fallen apart  
Fixing a broken heart
