

Fixing A Broken Heart

Christian Bautista

There was nothing to say
The day she left
Just filled a suitcase
Full of regrets
I hailed a taxi in the rain
Looking for some place
To ease the pain, ooh
Then like an answered prayer
I turned around
And found you there

You really know where to start
Fixing a broken heart
You really know what to do
Your emotional tools
Can cure any fool
Whose dreams have fallen apart
Fixing a broken heart, oooh...

Never could understand
What I'm going through
There must be a plan
That led me to you
Because the hurt just disappears
In every moment
That you are near, yeah
Just like an answered prayer
You make the loneliness
Easy to bear

You really know where to start
Fixing a broken heart
You really know what to do
Your emotional tools
Can cure any fool
Whose dreams have fallen apart
Fixing a broken heart

Soon the rain will stop falling baby
Let's forget the past
'Cause here we are at last

You really know where to start
Fixing a broken heart
You really know what to do
Your emotional tools
Can cure any fool
Whose dreams have fallen apart
Fixing a broken heart
Fixing a broken heart
