

# I Don't Want To See You Cry Again

Christian Bautista

I don't wanna see you cry again  
Missed the pot of gold at rainbows end  
cease the day you try to fly and fall  
I just want to see you standing tall

I don't want to see you cry once more  
Careful of the world by shutting doors  
Not a bit affeted by the crowd  
I only want to see you standing proud

Tell me where it hurts  
And I will ease your pain  
Through the stormy hurl  
I'll shield you from the rain  
Gonna find what's wrong  
I'm gonna make it right  
Hoping with my song  
There'd be no need to cry

And though you've shed  
A thousand tears before  
I don't want to see  
You cry once more  
And though it's been a while  
Since your last grin  
I just want to see you smile again

Together dreaming dreams  
Of a brighter tomorrow  
With hopes from day to day  
Rid ourselves of the sorrow  
We'll make this world  
A better place to live  
I don't want to see you cry again

I don't want to see another tear  
Knowing that it flows from pain and fear  
Rather I will show you how to live  
Even if it takes my life to give
