

# I Remember The Girl

Christian Bautista

Today I heard them play the song again  
An old familiar strain from way back when  
Every note and every line  
It's always been a favorite song of mine  
It used to haunt me so some years ago  
Reminds me of a boy I used to know  
And although the melody lives on  
The memories and the boy are all but gone  
And while the song still brings that certain glow  
And the words still sing of love I know  
It isn't quite the way it was before  
I remember the boy  
But I don't remember the feeling anymore

The promises we made seemed easier then  
As if we knew our love would never end  
But seasons change and time erases the tears  
As quickly as the rivers disappear

So while the song still brings that certain glow  
And the words still sing of love I know  
It isn't quite the way it was before  
I remember the boy  
But I don't remember the feeling  
I remember the boy  
But I don't remember the feeling anymore
