I Want To Be The One

Christian Bautista

Don't wanna talk
Don't wanna drive
Don't wanna scream out loud
How do I make you mine
Don't wanna change your mind
Don't wanna know who's wrong or right
Don't wanna say goodnight
I'm no good with goodbye

So lets ignore the signs
That say were running out of time

I wanna be everything
More than you'll ever need
I know
I want to be the one
I would give anything
To be what you want me to be
I know
I want to be the one

Don't wanna sing
Don't wanna fight
Don't wanna go back home
I'm in no shape to drive
Don't wanna make you cry
Don't wanna leave us far behind
Don't wanna break up
To make up one more time

So lets ignore the signs
That say were running out of time

I wanna be everything
More than you'll ever need
I know
I want to be the one
I would give anything
To be what you want me to be
I know
I want to be the one

I don't wanna live without you
Don't even think I know how to
There must be a way to rewind
And start all over again!!!

I wanna be everything
More than you'll ever need
I know
I want to be the one
I would give anything
To be what you want me to be
I know
I want to be the one

Don't wanna talk

Don't wanna drive
Don't wanna say goodnight
I'm no good with goodbyes

I wanna be everything
More than you'll ever need
I know
I want to be the one
I would give anything
To be what you want me to be
I know
I want to be the one

Don't wanna drive
Don't wanna say goodnight
I'm no good with goodbyes

I wanna be everything
