

I Won't Hold You Back

Christian Bautista

If I had another chance tonight
I'd try to tell you that
The things we had we're right
Time can't erase the love we shared
But it gives me time to realize
Just how much you cared

Now you're gone I'm really not the same
I guess I have myself to blame
Time can't erase the things we said
But it gives me time to realize
That you're the one instead

You know I won't hold you back now
The love we had just can't be found
You know I can't hold you back now

Now that I'm alone it gives me time
To think about the years that you we're mine
Time can't erase the love we shared
But it gives me time to realize
Just how much you cared

I know I won't hold you back now
The love we had just can't be found
You know I can't hold you back now

You know I won't hold you back now
The love we had just can't be found
You know I can't hold you back now
The love we had just can't be found
You know I won't hold you back now
