

# I Won't Hold You Back

Christian Bautista

If I had another chance tonight  
I'd try to tell you that  
The things we had we're right  
Time can't erase the love we shared  
But it gives me time to realize  
Just how much you cared

Now you're gone I'm really not the same  
I guess I have myself to blame  
Time can't erase the things we said  
But it gives me time to realize  
That you're the one instead

You know I won't hold you back now  
The love we had just can't be found  
You know I can't hold you back now

Now that I'm alone it gives me time  
To think about the years that you we're mine  
Time can't erase the love we shared  
But it gives me time to realize  
Just how much you cared

I know I won't hold you back now  
The love we had just can't be found  
You know I can't hold you back now

You know I won't hold you back now  
The love we had just can't be found  
You know I can't hold you back now  
The love we had just can't be found  
You know I won't hold you back now
