

If Ever Your In My Arms Again

Christian Bautista

It all came so easy, all the loving you gave me
The feelings we shared
And I still can remember, how you touched me so tender
It told me you cared

We had a once in a lifetime
But I just couldn't see until it was gone
A second once in a lifetime
May be too much to ask but I swear from now on

If ever you're in my arms again
This time I'll love you much better
If ever you're in my arms again
This time I'll hold you forever
This time we'll never end

I'm seeing clearly, how I still need you near me
I still love you so
There's something between us, that won't ever leave us
There's no letting go

We had a once in a lifetime
But I just didn't know it 'til my life fell apart
A second once in a lifetime
Isn't too much to ask 'cos I swear from the heart

If ever you're in my arms again
This time I'll love you much better
If ever you're in my arms again
This time I'll hold you forever
This time we'll never end (never end)

The best of romances deserve second chances
I'll get to you somehow 'cos I promise now

If ever you're in my arms again
This time I'll love you much better
If ever you're in my arms again
This time I'll hold you forever
This time we'll never end

(If ever you're in my arms again
This time I'll love you much better)
If ever you're in my arms again
This time I'll hold you forever
This time we'll never end
