

More Than You'll Ever Know

Christian Bautista

Now don't you worry anymore
'Cause I told you before
I am never ever leaving you
Believe our love will make it through

Take my hand
We'll walk a while, we'll talk a while
Feel my love
Always there beside you
Be the one
I know you'll tell me everything
You are the one
I cherish more than anything

I love you more than
You'll ever know
I love you more than
You'll ever see
More than my heart
Could ever show
I love you more than
You'll ever know

Think of me
And know that I'll believe in you
There'll always be
This precious time together
With every tear
A love so strong
No words could ever say
A love to last forever

I love you more than
You'll ever know
I love you more than
You'll ever see
More than my heart
Could ever show
I love you more than
You'll ever know...

Take my hand
We'll walk a while, we'll talk a while
Feel my love
Always there beside you
Be the one
I know you'll tell me everything
You are the one
A cherish more than anything

I love you more than
You'll ever know
I love you more than
You'll ever see
More than my heart
Could ever show
I love you more than

You'll ever know, ooh...

More than you'll... ever know...
