

My Girl My Woman My Friend

Christian Bautista

When my work is through at the end of the day
There's nothing else that I'd rather do
Than to be with you at the end of the day
To be right by your side makes me feel brand new

Cause you're my girl, my woman, my friend
And that's how it's gonna be till the end.
Loving you is what I live for
And I can't ask for anything more
You're my woman, my girl, and my friend
Rolled into one

You're my man and I'm at the prime of my life
To you I give myself, all my heart
All of what I am at the prime of my life
I'll never let a thing come to break us apart

Cause I'm your girl, your woman, your friend
And that's how it's gonna be till the end
Loving you is what I live for
And I can't ask for anything more
Than to be your woman, your girl, and your friend

Being with you, my love, just makes my day complete
Holding you close my love, creates a wondrous treat
No need to say the words
No fancy places for me
Love is anywhere
As long as you are there with me
We'll be free
Our love will make us free to be you and me
