

Nothing Can Stop Us Now

Christian Bautista

Soft as a rainbow like stardust and moonglow
I see the love in your eyes
Like autumn leaves falling
And the first light of morning
It came to my surprise
True love calls just once in a lifetime
Why should we wait when now is the right time

Nothing can stop this love we're making
Nothing can stand in our way
Nothing can block this road we've taken
Nothing can stop us now

The joy of surrender
So strong yet so tender
I give my heart to you
You know you can trust me
And that's how it must be
No matter what we do
Faithful friends and lovers forever
Right to the end we'll always be together

Nothing can stop this love we're making
Nothing can stand in our way
Nothing can block this road we've taken
Nothing can stop us now

When love comes sweetly, to your door
Embrace completely
What your soul is longing for

Nothing can stop this love we're making
Nothing can stand in our way
Nothing can block this road we've taken
Nothing can stop us now

Nothing can stop us now
