

# Only Reminds Me Of You

Christian Bautista

La la la la la la la, la la la la, oh...

I see you, beside me  
It's only a dream  
A vision of what used to be  
The laughter, the sorrow  
Pictures in time  
Fading to memory  
How could I ever let you go  
Is it too late to let you know

I try to run from your side  
But this place I hide  
It only reminds me of you  
When I turn out of the light  
Even the night  
It only reminds me of you

I needed my freedom  
That's what I thought  
But I was a fool to believe  
My heart lied while you cried rivers of tears  
But I was too blind to see  
Everything we've been  
Through before  
Now it means so much more

I try to run from your side  
But this place I hide  
It only reminds me of you  
When I turn out of the light  
Even the night  
It only reminds me of you  
Only you

Please come back to me  
I'm down on my knees  
Girl can't you see

How could I ever let you go  
Is it too late to let you know

I try to run from your side  
But this place I hide  
It only reminds me of you  
When I turn out of the light  
Even the night  
It only reminds me of you  
You... oh woah...  
It only reminds me of you
