

## Refrain

Christian Bautista

I look out and I see the rain  
As it falls on my window pane  
And the music that's in my heart  
Is a sad refrain

Endless traffic of sounds and sights  
Midst the glitter of neon lights  
Still the music that's in my heart  
Is the same sad refrain

Mem'ries of you follow everywhere I go  
Down the high and bi-ways of my days  
Music of your laughter fills my every dream  
Like a love song, from long ago  
Never ending streams of faces come and go  
Million diff'rent people all around  
No use searching for I'll never find you there  
For you are far beyond compare

Take a jet to a hi-away  
From the hum-drum of everyday  
Yet the music that's in my heart  
Is the same sad refrain

Mem'ries of you follow everywhere I go  
Down the high and bi-ways of my days  
Music of your laughter fills my every dream  
Like a love song, from long ago

Never ending streams of faces come and go  
Million diff'rent people all around  
No use searching for I'll never find you there  
For you are far beyond compare

No use searching for I'll never...  
No use searching for I'll never find you there  
For you are far beyond compare...
