

# The Way You Look At Me

Christian Bautista

No one ever saw me like you do  
All the things that I could add up too  
I never knew just what a smile was worth  
But your eyes say everything  
Without a single word

'Cause there's somethin' in the way you look at me  
It's as if my heart knows  
You're the missing piece  
You make me believe  
That there's nothing in this world I can't be  
I never know what you see  
But there's somethin' in the way you look at me

If I could freeze a moment to my mind  
It'll be the second that you touch your lips to mine  
I'd like to stop the clock make time stands still  
'Cause, baby, this is just the way  
I always wanna feel

'Cause there's somethin' in the way you look at me  
It's as if my heart knows  
You're the missing piece  
You make me believe  
That there's nothing in this world I can't be  
I never know what you see  
But there's somethin' in the way you look at me

I don't know how or why  
I feel different in your eyes  
All I know is it happens every time

'Cause there's somethin' in the way you look at me  
It's as if my heart knows  
You're the missing piece  
You make me believe  
That there's nothing in this world I can't be  
I never know what you see  
But there's somethin' in the way you look at me

The way you look at me
