

Up Where We Belong

Christian Bautista

Who knows what tomorrow brings
In a world few hearts survive?
All I know is the way I feel
When it's real, I keep it alive

The road is long
There are mountains in our way
But we climb a step every day

Love lift us up where we belong
Where the eagles cry
On a mountain high

Love lift us up where we belong
Far from the world below
Up where the clear winds blow

Some hang on to 'used to be'
Live their lives looking behind
All we have is here and now
All our life out there to find

The road is long
There are mountains in our way
But we climb a step every day

Love lift us up where we belong
Where the eagles cry
On a mountain high

Love lift us up where we belong
Far from the world we know
Where the clear winds blow

Time goes by, no time to cry
Life's you and I, a life, baby

Love lift us up where we belong
Where the eagles cry
On a mountain high

Love lift us up where we belong
Far from the world we know
Where the clear winds blow

Love lift us up where we belong
Love lift us up where we belong
