Up Where We Belong

Christian Bautista

Who knows what tomorrow brings In a world few hearts survive? All I know is the way I feel When it's real, I keep it alive

The road is long
There are mountains in our way
But we climb a step every day

Love lift us up where we belong Where the eagles cry
On a mountain high

Love lift us up where we belong Far from the world below Up where the clear winds blow

Some hang on to 'used to be' Live their lives looking behind All we have is here and now All our life out there to find

The road is long
There are mountains in our way
But we climb a step every day

Love lift us up where we belong Where the eagles cry
On a mountain high

Love lift us up where we belong Far from the world we know Where the clear winds blow

Time goes by, no time to cry Life's you and I, a life, baby

Love lift us up where we belong Where the eagles cry
On a mountain high

Love lift us up where we belong Far from the world we know Where the clear winds blow

Love lift us up where we belong Love lift us up where we belong
