From the very first time I rested my eyes on you boy
My heart said follow through
But I know now that I'm way down on your line
But the waiting feel is fine
So don't cheat me like a puppet on a string
Cause I know I do my thing
Don't talk to me as if you think I'm dumb

I wanna know where you're gonna go
I don't want to wait in vain for your love
I don't want to wait in vain for your love
I don't want to wait in vain for your love
I don't want to wait in vain for your love

Summer is here, I'm still waiting there
Winter is here and I'm still waiting there, yeah, yeah

Ooh yeah, yeah
Ooh yeah, yeah
Ooh yeah, yeah

Like I said
It's been three years since I've been knocking at your door
And I can still knock some more
Ooh boy, ooh boy
Is it feasible?
I wanna know now
For I can knock some more
You see in life I know

There's lots of grief
But your love is my relief, yeah
Tears in my eyes burn
Tears in my eyes burn
While I'm waiting, while I'm waiting for my turn, oh

I don't want to wait in vain for your love
I don't want to wait in vain for your love
I don't want to wait in vain for your love
I don't want to wait in vain for your love
I don't want to wait in vain for your love

I don't wanna, I don't wanna, I don't wanna, I don't wanna
I don't wanna wait in vain
I don't wanna, I don't wanna, I don't wanna, I don't wanna
I don't wanna wait in vain
I don't wanna, I don't wanna, I don't wanna, I don't wanna
I don't wanna wait in vain
I don't wanna, I don't wanna, I don't wanna, I don't wanna
I don't wanna wait in vain

It's your love that I'm waiting on
It's my love that you run from
It's your love that I'm waiting on
It's my love that you run from
It's my love that I'm giving to you baby
Yeah, oh, ooh
I'm waiting in vain
Waiting in vain girl, yeah
Don't make me wait in vain yeah
