

What Can I Do

Christian Bautista

I'm sorry if every song I sing is for you
Sorry if my whole world revolves around you
When I look at you
I find all my answers

I'm sorry if I hang on every word you say
Sorry if I think about you everyday
When I hear your voice
There's no need for tears

What can I do
To make your heart hear
To silence all your fears
Don't close your soul on me don't sell our memory
Oh you alone can save me
Oh you alone set me free
There's nothing else I wanna do
I'm so in love with you

How make your heart hear
I'll silence all your fear
Don't close your soul on me
Drown me in your love again and again
I am so in love with you

I'm sorry if I'm still holding both your hands
Sorry if I can't forget all that we've planned
I know you said no
But I won't let go

What can I do
To make your heart hear
To silence all your fear
Don't close your soul on me don't sell our memory
Oh you alone can save me
Oh you alone set me free
There's nothing else I wanna do
I'm so in love with you

How make your heart here
I'll silence all your fear
Don't close your soul on me
Drown me in your love again and again
I am so in love with you

Don't close your soul on me don't sell our memory
Oh you alone can save me
Oh you alone set me free
There's nothing else I wanna do
I'm so in love with you

I'll make your heart here
I'll silence all your fear
Don't close your soul on me
Drown me in your love again and again
I am so in love with you
