

When You Say Nothing At All

Christian Bautista

It's amazing how you
Can speak right to my heart
Without saying a word
You can light up the dark

Try as I may, I could never explain
What I hear when you don't say a thing

The smile on your face
Lets me know that you need me
There's a truth in your eyes
Saying you'll never leave me
The touch of your hand says you'll catch me whenever I fall
You say it best when you say nothing at all

All day long I can hear
People talking out loud
But when you hold me near
You drown out the crowd

Try as they may, they can never define
What's been said between your heart and mine

The smile on your face
Lets me know that you need me
There's a truth in your eyes
Saying you'll never leave me
The touch of your hand says you'll catch me whenever I fall
'Cause you say it best when you say nothing at all

Ohh The smile on your face
Lets me know that you need me
There's a truth in your eyes
Saying you'll never leave me
The touch of your hand says you'll catch me whenever I fall
'Cause you say it best (you say it best) when you say nothing at all

The smile on your face
The truth in your eyes
The touch your hand lets me know that you need me
